“ My uncle David was a great man. I will always remember his hands and hospitality. The man could build anything a probable did. I remember rides out in the field in the jeep he made. He was know for the annual bbq. I can see him and Wayne cooking up a storm and running everyone off to make the "secret bbq sauce". I remember the shop alwaays smelled of saw dust and cigar smoke and KSSN was always playing on the radio. David was a class act, he always greeted his freinds and family with open arms and a smile. I can see him a Marlyn dancing the night away on the saw dust floor. David was a great guy and I'm sorry I could not be there for the funeral but know my prayers are with all of you.
