“ I've known Freda as long as I can remember. She and Preston used to come visit Lou Ann, Gary, and the girls at Christmas time and we all had a big family dinner at my Mom's house. I loved those occasions dearly and will always cherish the fellowship we shared with the Carpenters. They were good people, salt of the Earth. Lord knows my Nana and Papa thought a lot of them for having a son so dashing to marry their daughter, my Aunt Lou Ann.

My sincere condolences to you all.

Take comfort in the time you had with her and that she was surrounded at all times by family and love.
