“ *Mr. Dutton always had a smile on his face, even when I was a child growing up in Rose City Church of Christ, I would always love taking with him. Even as I got older I would remember him, and when he and Jimmie moved to Cabot I would see them at the store, there he would be with the smile on his face and a big hug. He will be greatly missed, I am truly sorry for the families loss. But the memories of him will never be forgotten.*
