“ *Phyllis,*

I just found out tonight about Mike's passing. I am so sorry. Even though I hadn't seen Mike in several years, I considered him a good friend. I look back at many fond memories on the golf course and on the baseball field.

May God bless you and your family during this time.

Again, my deepest sympathies to all of you.

“ I was deeply saddened to hear of Mike's passing. He sold me my first BMW in 1986 and over the years we became good friends as I continued to purchase vehicles from him, primarily because of that friendship. He was a loyal and informed representative for BMW and the Dealership. I will miss Mike's good natured demeanor and sincere efforts to be of service. My thoughts and prayers are with Phyllis and all of Mike's family. May you receive God's many blessings in this time of personal need.

“ I have known Mike since the 1950's at Capital View Methodist Church in LR. We played on the same little league team for a time and lived in the same general neighborhood close to the Deaf School in LR. We were in UCA at about the same time and last talked with him in Nov. “ Mike was everyones friend. He was kind enough to teach me the car business even though it made me a competitor in sales. The time I spent working with Mike is so memorable, he could always make you laugh or entertain you with a story. Mike had a lot of hobbies and interest and worked very hard but it was clear nothing came before his wife, family, and Sadie his dog. I, like everyone that knew you will truly miss you.
