“ Steve & Vicky, *We are so very sorry to hear about your mom. She was one of those rare people of whom when she saw you she was really glad to see you, and you knew that because she lit up the room with that big southern "hi" and that wonderful smile and made you feel like the most important person in the room, you knew she cared. She will be so missed. A fine lady, a fine family.*

“ *I had the pleasure of meeting Pat when Betty came to Knoxville to visit her daughter Lora. Pat's love of life and nature was inspirational. She has helped Lora and I both with our Angel Trumpets and we both have so enjoyed them.*

My thoughts and prayers are with her family and friends.
