“ Brooke (Lacy) I am so sorry to hear about your Grandmother. I know how special that she was to you. She was a wonderful grandma, I know you will miss her so much. You know how much she loved you, so on the hard days to follow, try to remember, the love that you two shared and know that you will always have someone looking down on you. I pray that God will speed your broken heart. If you need me, or just someone to talk to, just know that I always here for you. I love you, and I will be praying for you, and your family. Love Your, Aunt Sissy
