“ She has just about always been in my life ever since she married my Uncle Jimmy anyway. I have a lot of good memories from our families getting together over holidays, weedends just to be getting together, summer our families getting together & everyone had an ice cream freezer & we all cranked them up an had a flavor in each one. Fun fun fun memories, can you tell we all liked to get together to eat too. ha ha. We just enjoyed getting together & families need to do more of it too & enjoy because we never know when our time will come. We all need to enjoy our families as much as we can & get together as much as possible. I love you all.

“ I will always remember us playing cards every Saturdeay night. All of us getting together taking turns at each others house & every one brings snacks. We would play cards for a couple of hours then take a break & snack & it would be back to playing. We would really have a lot of fun. Those will always be treasured memories.
